

PORE CLEARING CLEANSING OIL & MAKEUP REMOVER

PURIFYING OIL CLEANSER ACNE SAFE

SKIN TYPES AND CONDITIONS: ALL SKIN TYPES AND ALL SKIN CONDITIONS

DESCRIPTION	Specifically designed with non-pore clogging oils, this cleanser removes makeup, balances skin and lifts away impurities. Infused with nutrient rich oils and Vitamin E, skin is nourished and left looking and feeling soft and hydrated while the appearance of pores is minimized. This cleanser is water soluble and rinses away completely leaving behind no oily residue.
A FEW KEY INGREDIENTS & BENEFITS	Sunflower Seed Oil (Helianthus Annuus): This lightweight, natural oil is packed with skin-loving nutrients, including linoleic acid—an essential fatty acid that helps keep your skin’s barrier strong and hydrated. It locks in moisture, and soothes irritation thanks to its calming, anti-inflammatory properties. Perfect for giving your skin a healthy, nourished glow. Carthamus Tinctorius (Safflower) Seed Oil: Cold pressed seeds and kernels. An extremely moisturizing oil, rich in linoleic acid. Research points to linoleic acids anti-inflammatory and moisture retentive properties when applied topically to the skin. Tocopheryl Acetate (Vitamin E Acetate): This stabilized form of Vitamin E delivers powerful antioxidant benefits, shielding skin from environmental aggressors such as pollution and UV rays. It deeply conditions and hydrates, supporting skin repair and calming irritation. Its gentle, non-comedogenic nature makes it ideal for all skin types, including those prone to breakouts or sensitivity.
USAGE INSTRUCTIONS	Use AM and PM. Apply to dry skin. Perform a cleansing massage for one to three minutes adding product or water as necessary to maintain slip. Remove with water.
FULL INGREDIENT DISCLOSURE	Helianthus Annuus (Sunflower) Seed Oil, Carthamus Tinctorius (Safflower) Seed Oil, C12-15 Alkyl Benzoate, Di-PPG-2 Myreth-10 Adipate, Tocopheryl Acetate
