

CALMING CLEANSING OIL & MAKEUP REMOVER

CLEANSING OIL & MAKEUP REMOVER ACNE SAFE

SKIN TYPES AND CONDITIONS: ALL SKIN TYPES & ALL SKIN CONDITIONS, DEHYDRATED, AGING,
SENSITIVE, SENSITIZED, ROSACEA, INFLAMED, LIPID DRY

DESCRIPTION

Gently removes all traces of makeup and other impurities while it leaves sensitive, reactive, delicate skin nourished, calmed and soothed. Specifically designed with non-pore clogging oils, this cleanser removes makeup, balances skin and lifts away impurities. Infused with nutrient rich oils and Vitamin E, skin is nourished and left looking and feeling soft and hydrated while the appearance of pores is minimized. This cleanser is water soluble and rinses away completely leaving behind no oily residue.

A FEW KEY INGREDIENTS & BENEFITS

Cucumis Sativus (Cucumber) Oil: Extracted solely from the seeds of non-GMO cucumbers, this oil is cold pressed and unrefined with a lovely, subtle scent of cucumber. With an abundance of linoleic acid, it has repairing properties. Its phytosterols aid with the structural and functional integrity of the skin and act as an anti-radical shield. The seeds also contain Phenylalanin, an amino acid that slows down melanin transfer.

Organic Sunflower Seed Oil (Helianthus Annuus): This lightweight, natural oil is packed with skin-loving nutrients, including linoleic acid—an essential fatty acid that helps keep your skin's barrier strong and hydrated. It locks in moisture, and soothes irritation thanks to its calming, anti-inflammatory properties. Perfect for giving your skin a healthy, nourished glow.

Tocopheryl Acetate (Vitamin E Acetate): This stabilized form of Vitamin E delivers powerful antioxidant benefits, shielding skin from environmental aggressors such as pollution and UV rays. It deeply conditions and hydrates, supporting skin repair and calming irritation. Its gentle, non-comedogenic nature makes it ideal for all skin types, including those prone to breakouts or sensitivity.

USAGE INSTRUCTIONS

Use AM and PM. Apply to dry skin. Perform a cleansing massage for one to three minutes adding product or water as necessary to maintain slip. Remove with water.
